

(Indolence)⁴

Once upon an urban alley,
Reeking diver sounds then breaches.
Knuckling grounds from crinkled blinkies.
Grinning, zounds a still warm pizza, romaine lettuce, semi-crispy.
So slurp;
gullet slides down wino history.

Once upon a Chris-Craft shiny,
Reeling skipper rips dock anew.
Provisions low, survival doubtful.
Dock carts beckon fill my scuppers, bourbon vodka beer gin whiskey.
So glug;
sure to part those roiling waters.

Once upon a sluburb grossest,
Pampered princess moans so softly.
Closet rifled, drawers askew,
Shoes akimbo depressive sigh, plastic subs offensive weapons.
So spend;
Mingle Mall spells quick relief,

Once upon a pond pad tender.
Bufo warter sits harumpfung.
Boffo credit to his gender.
One eye opens one eye closes, indolent pose hides intentions.
But zot;
'nother fly to shit Valhalla.
